City of Douglass Hills Newsletter

THUNDER OVER DOUGLASS HILLS!!

**SUNDAY, JULY 3RD—CONCERT AT
7 P.M.**

Warren C. Walker Park

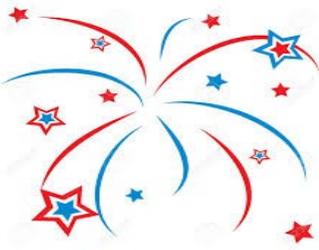

- Due to the holiday, garbage will be collected on Friday, July the 8th.

Council Members

Jason Bowman
Patti Eubanks
Becky Hunter
Bill Middleton
Jeff Riddle
Denise Scarpellini

Time to celebrate America's birthday! Swim Daddies Band will begin at 7 p.m. Fireworks by W. A. Loeffler Enterprises will immediately follow the concert. Walking is always encouraged to relieve the traffic congestion. Bring your lawn chairs, family, and friends for a fun filled evening. Please remember this is a family event and no alcohol is permitted in the park.

Option 2—City Clerk
Option 3—Treasurer

HAPPY 240TH BIRTHDAY AMERICA!

Prior to the concert, you may enjoy seeing the LMPD helicopter display from 3-7 p.m. Bring the kids and camera!

Approximately from 5-7 p.m., **Sing USA** students will perform.

Food and drinks will be provided for purchase.

Parking is limited, so please walk to the park (if possible).

Again, **no alcohol** is permitted.

A BUSY CITY!

The summer is in full swing with many outdoor projects going on in Douglass Hills. Since our MSD public meeting in March, MSD has continued to move major drainage projects that have been scheduled for years. Sidewalk repairs have begun in over 20 different areas, and phase 1 of our road paving has begun. With lots of extra folks coming to our parks and pool, I ask you that please be diligent in following our traffic rules and watch out for each other.

Also, with the influx of non-violent crimes all around us, please make sure your cars are locked, and your lights are on around your houses. If you see or hear something, please call LMPD non-emergency phone number 574-2111 Ext. 5 and file a report. They cannot stop patterns of crime without your help.

Mayor Bonnie Jung

FIREWORKS SAFETY

Every 4th of July, thousands of people are hurt, mostly children and teens while using consumer fireworks. The tip of a sparkler burns at a temperature of more than 1200 degrees which can cause 3rd degree burns. Please leave the fireworks to the professionals. The safest way to enjoy fireworks is to attend a public display. If you should attend a fireworks event, children should never pick up fireworks that may still be active. Be safe and enjoy Thunder over Douglass Hills!

Middletown Fire Chief—Jeff Riddle
