

# THUNDER IN THE HILLS

June/July 2017 Edition

DOUGLASS HILLS NEWSLETTER

Monday, July 3rd—5 p.m.

**Let's Celebrate America's Birthday!**

By now the residents know the routine....be ready for a terrific show by W. A. Loeffler Enterprises. The show will immediately follow the concert. Over the years, the crowds have grown and you will see an increase in security and directional signs for limited parking. If possible, we always encourage residents to walk and to bring their lawn chairs. Please remember that this is a family affair and no alcohol is permitted in the

Warren C. Walker Park.

Starting at 5 p.m. music will be provided by the Maguire Brothers and followed by the Swim Daddies. Prior to the concert, you may enjoy viewing the LMPD helicopter. Bring the kids and camera!

**\*\*PLEASE NOTE\*\*** There will be a surprise presentation at 6 p.m. that you will not want to miss!

Rain date is Saturday July 8th.

When parking for the concert or any event at the park, pull your car forward (facing the sidewalk) on Gatehouse Lane.

Watch for bikers and walkers!

DRIVERS! SLOW DOWN—OUR CHILDREN ARE OUT OF SCHOOL—YOU WILL BE TICKETED!

#### **MEN'S SUMMER DOUBLE TENNIS LEAGUE**

The men's league will play on Tuesdays from June 6th through August 29 @ 6:30 p.m. on the four courts at the Douglass Hills Park. If you are interested in playing or being a substitute, please call Howard Hardin at 245-1881 before June 3rd.

**MOST REQUESTED CITIZEN'S CONCERN**—Many citizens have called City Hall regarding pet owners not cleaning up after their pets. We have repeatedly asked that owners be responsible in scooping their dog's waste. Also, with regards to the dog's barking, every pet is to be under the owner's control. Thanks to those that do and it is appreciated! For those that need a little nudge—there is City Ordinance No. 1, Series 2006. Please read it and get familiar with the penalties.

Another area of concern, are the yard sale signs posted on City property. Ordinance 2, Series 1977 states that no sign or poster of any kind shall be affixed to any street sign or any pole which is the property of the City. The use of tape results in damage to the pole when the tape is removed and the paint comes off with it. Remember that your address is listed on the improperly placed sign and is noticed by many. Thank you for your prompt attention.

### **ECO-TECH NEWS**

Don't forget if you have a larger than normal pick-up, call ahead and make arrangements with Eco-tech at 935-1130. Also, if you are interested in switching out your old recycling bin for a large 64 gallon tote now is the time to place your order! Delivery will begin after July 1st.
