COMMENTS FROM CITIZENS

Former Mayor Bill Lile addressed the Council and those in attendance regarding an increase in the compensation of the office of mayor and future council members beginning with the next elected officers of 2019. He feels as though the offices are not compensated in accordance to the city's size and its budget.

Chester Mitchum, a resident of Douglass Hills, spoke on what he believes to be a dangerous parking situation around the area of 12012 Running Creek Road. He stated that cars park on both sides of the street and has experienced many nearly missed accidents. He proposes that the City place "No Parking" signs on one side of the street and preferably on the side of 12012 Running Creek Road.

MAYOR JUNG'S REPORT

- In the *Courier-Journal*, there were articles concerning suburban cities and their importance. In the near future, there will be an article written by Mayor Byron Chapman which is written on behalf of our City and others in Jefferson County.

- During the second week of February, I testified before the House of Representatives Local Government Committee regarding House Bill 246. This is legislation that supports the choices of cities to run their government as they see fit. Also, the bill establishes the significance of transparency of the 109 Waste Management Board in Jefferson County.
- With regards to the 2040 comprehensive plan being written for Louisville and Jefferson County, I am serving on the Community Forum, Community Facilities, and Housing Committees. This document will be the catalyst of future development. Currently, our only guidelines will be the 2020 plan and the Land Development Code for any future underdeveloped areas of Douglass Hills.
- If you have rental property, the deadline to register that property is April 3rd.
- Middletown Methodist Church is hosting free services for our area on March 18 from 10 a.m. until 2 p.m. They are offering a host of health screenings along with other information such as job searches.
- I have had the honor of being elected to the Executive committee of the Jefferson County League of Cities as Treasurer. We have had several past mayors who have been actively involved and it is an honor to follow them.
